The fact is, if the public had known the full facts about partygate (the pictures, the law breaking) within weeks of the story breaking – rather than months – Boris Johnson would almost certainly no longer be PM.

The question is why the delays happened, and who is responsible.

Boris Johnson's vanity trip to India was designed to distract from his law-breaking. But he can use this to help halt the Russian war in Ukraine and press PM Modi for urgent action to clamp down on weapons parts passing through India & into Russian hands

Stone the crows! Tories accuse Rayner of Basic Instinct ploy to distract Boris

...the Tories have accused Labour's shadow health secretary, Richard Burdett, of a 'Basic Instinct' ploy to distract attention from the government's handling of the Brexit negotiations.

Mr Burdett, who is also the shadow justice secretary, was accused of making a 'Basic Instinct' reference during a speech to the Conservative Party conference in London.

The reference was made in the context of a discussion about the government's handling of the Brexit negotiations, which Mr Burdett accused the government of mishandling.

Mr Burdett said: 'The government's handling of the Brexit negotiations has been a disaster. It's a Basic Instinct ploy to distract attention from the government's handling of the Brexit negotiations.'

The Conservative Party conference in London was held from September 11 to 14, 2019.

All petty in relation to the big problem. The article states that USA armed Ukraine for 4 years pre-war which means under Trump. Trump pointed out Germany and EU's dependence on Russian Gas & Oil. That is the main issue here. Without that dependence, Russia could not have acted.

We call on the #UK Home Secretary @pratt-pate to block the extradition of

'hate incident' on his record

By Ewan Somerville

POLICE handed an electrician a "non-crime" hate incident" with out him knowing, after he refused to work with a customer who he feared would not pay the bill.

Kevin Mills, 63, arrived at a client's house in Manhattan, Kent, to install a bathroom mirror when he discovered an abandoned 450. "Materials would be needed."

When the client objects and insists upon keeping his old copiers purchased for the job, Mr. M. is let alone and that trust has broken down and he would not complete the work.

As he negotiated with Mr. Mills told the client who he believed was behaving charitably that "I'm not working for someone like you" or words to that effect. He said the woman pursued him as he gathered his tools, calling him a "f---" and "unprofessional".

Every worker has the right to organise and protest peacefully for fair pay and conditions.

This disgraceful attack from @LSHTM and @RegentSanLondon cannot be tolerated and the workers must be reinstated

IWGB @IWGBUnion

Four outsourced workers at @LSHTM who protested peacefully yesterday for fair pay were informed today that they are suspended from work for this action.

"Espionage" means publishing true information that revealed numerous crimes by the US state. The information was sent to Wikileaks. It's called Journalism.

The US Espionage act has as much of a relationship to espionage as the CCP New Security Act has to security.
